

UTAH

Consumer Contact

Through the week, participants will discuss with consumers of various levels of functioning in regards to mental health issues and effects on their lives. These will take place in out-of-classroom locations so that site tours can also be accomplished. Locations are listed in italics and parentheses and are by availability within the region. The following contacts are arranged:

1. Persons diagnosed with PTSD. (*VA Hospital, other VA location, mental health center*)
2. Persons newly placed into a hospital psychiatric unit. (*Local hospital with psychiatric unit*)
3. Civilly committed patients. (*State Hospital, local hospital, mental health center*)
4. Forensically committed patients. (*State Hospital, county jail*)
5. Lunch with consumers living in the community. (*Day treatment center, mental health clubhouse*)
