

# FLORIDA CRISIS INTERVENTION TEAM

---

## Module 7

### TOPIC:

Baker Act and Marchman Act

### PURPOSE:

The legal responsibilities of law enforcement personnel will be reviewed. The Baker Act and other relevant statutes will be considered.

### GOAL:

To gain a better understanding of the Baker Act and other relevant statutes. This module will review the criteria for examinations and responsibilities for transportation.

### LEARNING OBJECTIVES:

Review the criteria and procedures for involuntary examinations under the Baker Act and other relevant statutes.

Review the transportation responsibilities of law enforcement under the Baker Act.

Review the procedures for handling people taken into protective custody with criminal charges under the Baker Act.

Discuss procedures for law enforcement at Baker Act facilities and review forms to be completed.

### RECOMMENDED TRAINING TIME:

About three hours is recommended for this module.

## **Module 8**

**TOPIC:**

Wrap Up

**PURPOSE:**

Review of the material presented in the Crisis Intervention Team (CIT) course. Discuss the course and get participants input on what modules were the most beneficial and which could use improvement.

**GOAL:**

Collect critique of CIT course and use for course improvement.

**LEARNING  
OBJECTIVES:**

Learn from the participants where the course has strong and weak points

Create an improvement plan from the data received in the critiques. Use the improvements in future courses.

**RECOMMENDED  
TRAINING TIME:**

One hour is recommended for this module.
