

# FLORIDA CRISIS INTERVENTION TEAM

---

## Module 1

### TOPIC:

Introduction & CIT Model

### PURPOSE:

Review of the Crisis Intervention Team (CIT) program. Present a training model from a mental health and law enforcement perspective.

### GOAL:

This module is intended to familiarize participants with the Memphis CIT Model and how it can be effectively implemented in Florida communities.

### LEARNING OBJECTIVES:

Presentation and review of practical skills that law enforcement personnel will be taught in this 40- hour CIT program.

A review of how the mental health system now fails persons with mental illnesses. How we arrived where we are and what's happened in our prison systems.

A previous CIT graduates account of how the CIT course is applicable to his daily professional duties.

### RECOMMENDED TRAINING TIME:

One hour is recommended for this module.
