

FLORIDA CRISIS INTERVENTION TEAM

Module 9

TOPIC:

Site Visits

PURPOSE:

To have law enforcement officers visit a mental health facility and interact with consumers when they are not in crisis. For example they may visit day treatment program, assisted living facility and commitment receiving facility

GOAL:

To learn about how the mental health facilities operate and how consumers recover after they are treated for mental illnesses.

**LEARNING
OBJECTIVES:**

To show that people with mental illness are not always dangerous.

Ensure that the LEO's see people with mental illnesses as being sick and not criminals

Demonstrate to consumers that LEO's are learning how to get them to a place for treatment instead of jail.

**RECOMMENDED
TRAINING TIME:**

Four hours is recommended for this module
